

## Guidelines for presenting authors

This guideline is addressed to authors of contributions at the **IAHA 2026 Conference**.

### Oral presentations

1. If your contribution was accepted as an **essay**, you have **10 min** time for an **oral presentation**, with additional **5 min** for answering questions.
2. There are **no formal requirements** regarding oral presentations. The language should be English. You may speak freely, use a PowerPoint presentation or a whiteboard / flipchart as support for your presentation. Please let us know what you will be using.
3. If you would like to show photos, a PowerPoint presentation is the most appropriate medium.
4. Please submit your PowerPoint presentation to [iaha2026@fibl.org](mailto:iaha2026@fibl.org) by **April 24th**.

### Poster presentations

1. If your contribution was accepted as an **Abstract**, you have **5 min** time for a **Poster presentation**, with additional **2 min** for answering questions. The presentations will be held directly in front of each poster.
2. Please bring your printed **poster** in the **format A0** and hand-it over at the **welcome desk** on the first day of the conference.
3. We do not have templates for posters, you are free to structure and design your poster as you wish. The language should be English.
4. Please submit a pdf of your poster to [iaha2026@fibl.org](mailto:iaha2026@fibl.org) by **April 24th**.

**IFOAM Animal Husbandry Alliance (IAHA) – Conference 2026**

Organic animal husbandry: a role model for the future of livestock?
